a voucher

Step 1

- a. Create an account in [Webassessor](https://webassessor.com/GOOGLECLOUD).

The screenshot shows the webassessor.com/GOOGLECLOUD page. At the top, a maintenance notice states: "Webassessor will be unavailable on Tuesday, April 20, 2021, from 5:00 PM through 9:00 PM Arizona Time (UTC -7) for maintenance." Navigation links include Shopping Cart, Edit Profile, Change Password, OLP Resources, Help, Log Out, and a welcome message for Tomasz Brewinski. The Google Cloud logo is prominently displayed, along with the KRYTERION logo, which is described as "Powered By KRYTERION™ GLOBAL TESTING SOLUTIONS". A top navigation bar contains links for Receipts, Register For An Exam, My Assessments, and Home. The main heading is "Ready to start?", followed by the instruction: "Please log in with your Google Cloud Webassessor account to see our catalog and register for an exam." Below this are input fields for "Login" and "Password", a "Forgot password?" link, and a "LOGIN" button. A paragraph of terms and conditions follows, advising users to review the [retake policy](#) and [recertification eligibility criteria](#) before taking an exam, and to adhere to [terms and conditions](#) to avoid suspension. A section titled "Don't have an account?" provides a [here](#) link to create an account and another [here](#) link for other languages. The footer contains a cookie notice, links to Privacy Policy and Terms of Service, a copyright notice for 2021 KRYTERION, Inc., and the KRYTERION logo.

Step 2

- a. Login to [Webassessor](#)
- b. Click “REGISTER FOR AN EXAM” button.

[Receipts](#) [Register For An Exam](#) [My Assessments](#) [Home](#)

Make sure you review the [retake policy](#) and [recertification eligibility criteria](#) before you take an exam. There is a limit on the number of times you can take an exam and a waiting period between attempts (even if you are taking the same exam in a different language). It is your responsibility to adhere to these [terms and conditions](#) to avoid possible suspension or rejection of exam results.

Launching your online exam? Due to high volume, you may experience additional wait time (15-20 mins) before connecting with a proctor. Do not disconnect. We appreciate your patience!
